

Collection Process for Non-Sufficient Fund Checks Written to Pittsylvania County Schools

Pittsylvania County Schools is always looking for ways to be more efficient and effective in our fiscal policies. While it may seem like a minor issue to some, receipt of non-sufficient fund (NSF) checks is a time consuming and costly issue. As with any business, the Pittsylvania County School Board has an obligation to our clients, the community taxpayers, to be fiscally accountable.

Processing NSF checks can take valuable time from the school district personnel.

To manage this process, our District uses an outside collection company to protect the interest of all in our school system community against the time consuming and costly recovery of Non-Sufficiently funded checks.

The collection company we use utilizes the federal and state laws allowing the electronic recovery process of NSF checks which results in a high rate of recovery at no cost to the school district. The cost becomes the responsibility of those who wrote non-sufficient fund checks with the electronic recovery of the face amount of the check and the electronic recovery of the state fee from the bad check writer's bank account. Utilizing a collection company is an effort by the school district to be fiscally accountable in a more efficient and cost effective manner.

ATTENTION CHECK WRITERS

In the event your check is returned, your account will be debited electronically for the face amount and fees allowed by your state.
