\*We will put away some of the supplies for later in the year, so that **hopefully** we will not have to ask you to send more supplies throughout the school year. Please help your child understand that they must take care of their supplies and keep them safely in their supply box. In the case that your child loses their supplies, we will have to ask you to replace the materials that they need. We use scissors, glue, and crayons on a regular basis and they must have the materials needed to complete their work. Thank you for your support!

**Parents may bring supplies to Open House on Monday, August 6, 2018.**  
**The first day of school for students is Thursday, August 9, 2018.**
